Despite the suffocating closeness of the air in the Wars Memorial Building 425 people enthusiastically applauded Jack Benny's show there on Sunday afternoon . . . The Audience seemed greatly disappointed that the improper ventilation made it impossible for the "show to go on" after the broadcast . . .

Frank Sinatra and Al Jolson were among those who had planned to contribute to the impromptu show to follow, but when Mary Livingston fainted after the broadcast because of the heat, the 425 were ready to leave. . . . Jack Benny has been spending his days on the golf course as has His Honor the Honorary Mayor of Palm Springs. . . . William Randolph Hearst Jr. was among the heat sufferers at the broadcast. . . .

Lana Turner, with or without Bob Topping, came to Palm Springs and to the Doll House to disenchant Saturday-nighters. . . . Others there on the star-studded evening were Clark Gable with a pretty little femme fatale . . . Tony Martin . . . Burt Lancaster (currently featured in "I'll Walk Alone" at the Plaza. . . . News guaranteed not to be found elsewhere in this paper. . . . Mr. and Mrs. Armand Deutsch . . . Ida Lupino, who we saw being less typical than the screen stars earlier in the week. She was bowling in the local alley. . . . Sam Briskin celebrated his birthday at the Doll House with a party of 18 that included Ann Rutherford and Mr. and Mrs. Tom May. . . .

"Prog" (that name for Harry Van Gorp is to our knowledge the only good thing Freddie Sutherland "on the town" Saturday night. . . . Our thanks and the thanks of the Community Chest to that most gracious and most generous woman who donated \$1,000 to the campaign recently. . . . We wish we could reveal the name of this winter resident who by her generosity will do so much for the entire community. . . . Mrs. Susan Jeffrey, whose late husband George A. Jeffrey, was diplomatic secretary to the American Embassy in Tokyo, Belgrade, Teheran, Istanbul, and Rome, celebrated her 79th birthday recently in the home of Mr. and Mrs. J. C.

Stuart. . . The Plaza's Barbara Schilly, Helen Olmstead and Dorothy Wendtland looking especially gay of late and very appropriate in their colorful spring dresses. . . .

Mrs. Carole B. Stanford of 267 Vereda del Sur has been entertaining out-of-country visitors recently. They are Charles H. Trim and Mrs. Josephine Stirling of Vancouver and Mrs. Betty Beckett from far-off Melbourne, Australia. . . . Mary McNulty of Chicago has returned for her seasonally visit to Palm Springs now that the season has finally reached its stride. . . . The Palm Springs Biltmore was filled to capacity again despite the fact that some of their first guests left to seek out places with fewer carpenters and better-working plumbing facilities. . . . Bernice Bacon spent a good part of her Village vacation helping Lori Lee Lyon prepare for her fashion show and was rewarded for her efforts by the great success of the "Lori Lyon" on Saturday. . . . Nel and Ruth Hees here, we hope to stay this time, with Nel supposedly recouping from an appendectomy, but who could look much healthier? They chose the Racquet Club for re-couping grounds this weekend with friends of theirs from Los Angeles. . . .

Audience at Club

An unusual and highly original collection of women's desert resort wear was modeled on Saturday at the Tennis Club before a group of men and women who had nothing but praise for the "Lori Lyon" originals.

Responsible for the creation of the dresses, bathing suits, and casual resort wear, is Mrs. Tom Lyon, who designed and made every outfit herself. Each model brought forth an admiring round of applause from those who appreciated the initiative of Mrs. Lyon in her use of different and new combinations of plaids, stripes, and solid colors. The emphasis on colors, bright colors, the voguish, chic lines of each garment make this collection, the first ever designed for strictly desert wear, outstanding. Accessories were from Bullocks to whom Mrs. Lyon has given an exclusive on the "Lori Lyon."

Hostessing tables for the luncheon were Mrs. Austin McManus who had as her guests Mrs. Fred Ingram and Mrs. Frederick Watson; Mrs. Richard Grant with Mrs. Clinton Stoner, Mrs. Harry Reid, and Mrs. Russell Wade; Mrs. Lee Bering with Mr. and Mrs. Rathbun Hees, Mr. and Mrs. Walter Candy, Mr. and Mrs. Kenneth Colborn, Mrs. Parker Lyon, Mrs. Howard Mason, sister to Mrs. Bering, and Mr. and Mrs. Irving Bacon; Mrs. Ona Brown and her guests Mrs. Johnny Boyle and Mrs. Anita Haskell Jones.

One of the largest tables consisted of Mr. and Mrs. William Malouf, Mrs. Mabel Russell, Mrs. John Ballard, Mrs. Tom Fleming, Mrs. Austin Lynch, Mrs. Harold Murphy, Mrs. Walter McManus, Mrs. Earl Cordrey, and Mr. and Mrs. Edward Nassour.

Together at another table were Mrs. Harold Hicks, Mrs. Jack Gorman, Mrs. Mary Jane Hicks, Mrs. Barney Hinkle, and Mrs. Fay Neal. Mrs. Wesley Pepper entertained her houseguests Mrs. Thomas Bird, and Mrs. Adalade Newinger, and Mrs. William Marvin. Gathered nearby were Mrs. Albert Burki, Mrs. Ralph Duncan, and Miss Evelyn Mock.

A large table consisting of mostly winter visitors seated Mrs. Carl Raymond, Mrs. Murray March of Seattle, Mrs. William Ripley, Mrs. B. F. Shearer, Mrs. Frank Purcell, Mrs. Lein of Tacoma, Mrs. Reuben Fleet of San Diego, Mrs. Virgil Studebaker of Tacoma, Mrs. E. K. Bishop of Aberdeen, Wash., and Mrs. J. E. French of San Francisco.

The excellent job of M. Cing the show was performed by Mrs. Lyon's proud father, Lee Bering, and much credit goes to Mrs. Bering also for the part she did in helping her daughter in organizing the wonderful fashion display.

Burnand Jr., were hosts to the outstanding Washington, D. C., couple, Mr. Nelson served during the war years as head of the War Production Board.

Others present were Maj. and Mrs. Robert Ransom, Dorothy Fleet, who has taken a house in Palm Springs for the remainder of the season, and Raymond Schindler, popular visitor here and outstanding land owner in Borrego Springs.

## Doing the Village

with  
Moya Henderson

After searching and digging we located the typewriter under two feet of sand in the corner closet and can now commence. Realtors lost money Sunday night as real estate was flying around free to anyone with a good sized bucket who wanted to gather a parcel of the precious stuff.

There seem to be quite a few snow casualties limping around these days. Bill Gilbert, down visiting his mother has his leg in a cast. He got a little crossed up on skis. That wasn't a knitting needle that Mary Jane Hicks ran through her thumb last week. She, Dottie and Jack Gorham and Ernie Dunlevie were giving the toboggan slide at Hidden Lodge a workout last weekend when M. J. connected with too many things at one time and had to be rushed to the Hemet hospital where several stitches were taken in her hand. Nothing daunted, the party proceeded back to Idyllwild, the Four Chimneys, and more snow.

OUR SYMPATHY to Everett Lilley who's mother passed away last week in Oklahoma. Everett left by train to attend the services. Former Villager, attractive Patty Manley, is visiting with Joy Arkalian this week and basking in the desert sun.

The George Robersons have a full house this week as daughter Louise and husband Dixie Schilling flew in from Hawaii early in the week and Dixie's mother flew out from New York to visit with her son while he's on the mainland.

THE NEW HOUSES on display about the Village have been teeming with visitors. The Truesdale project down by the new streamlined Tahquitz was officially open for inspection following their cocktail party last Saturday. From then on Harry Reid has been busy showing people through the attractive houses. Bill Groschan has also been kept busy at the model home being shown in Dick Grant's tract.

Jane and Earl Neel were pleasantly (?) surprised when a group of friends dropped in Saturday evening to give them a housewarming. Jane's lovely new furniture and polished floors seemed to have survived the party. Among the group were the Earl Houghs, Neva Youngs, Ken DuBoses and Tom Kieleys.

OHS AND AHS were to be heard at the Tennis Club on Saturday as Lori Lee Lyons exhibited her original play clothes. Lori Lee now has several girls busy sewing for her and has given Bullocks the exclusive on her dresses designed for desert wear.

Not only was George Washington remembered on Sunday but Jane Neel and Gus Kettmann added a year to their lives too.

That was quite some whirling that Desert Hot Springs put on this weekend and in spite of the prevailing breezes on Sunday was a huge success. At least forty members of the Los Compadres rode over Sunday afternoon to attend the barbecue. Many of them decided against the round trip and trailered their steeds one way.

House guests of Helen and Bob Chambers this week are Helen's sister and brother-in-law from New York and her brother from Long Beach. Sounds like a family reunion. Hutch and Billie Moseley also had Long Beach guests this weekend, Jenny and Harry Wilson, who really go for our out door life.

Preceding the lively evening of square-dancing at Thunderbird Ranch on Friday evening, Mr. and Mrs. Walter Monroe of Lake Forest, Ill. entertained a group of friends for dinner at the Ranch.

Their guests were Mr. and Mrs. Manley B. Brown, Mr. and Mrs. J. M. Schlenders of Cleveland, and Mr. and Mrs. W. H. Crawford of Ohio.

Chicagoans In

Of Gay PartiesMany Affairs During  
Week Given to  
Compliment Visitors

Highlighting the social activities in the Village on the weekend are several parties given to honor prominent Chicagoans now visiting here.

The home of Mr. and Mrs. Kenneth Kirk was the scene of a lovely cocktail buffet on Sunday evening given for Dr. and Mrs. Guy Pontius and Dr. and Mrs. William Highstone, the Kirk's houseguests from Chicago. Dr. Pontius is chief of staff of Chicago's St. Luke's hospital with which Dr. Highstone is also associated.

Gathering around the beautifully arranged buffet table were Messrs and Mmes. Raymond Wilson, Earl Coffman, George Roberson, Walter Monroe, Walter McManus, Harold Murphy, Howard Smiley of Fullerton, Pardy Dee, Armin Rickel, Robert Ransom, William Malouf, Richard Grant, Harold Shilling, recently arrived for a visit from their Honolulu home, Dr. and Mrs. Frank Purcell, Dr. and Mrs. J. A. D'Alessio, Mrs. Noble Banks, Mrs. Fay Pease of Honolulu, Mrs. Tom Fleming, Mrs. Austin Lynch, Mrs. Ona Brown and Mrs. Earl Cordrey.

On the preceding night Mr. and Mrs. William Malouf entertained a group of Chicago residents during the cocktail hour. Present for the occasion were Mrs. Thomas Fleming and her mother, Mrs. Austin J. Lynch; Mr. and Mrs. Packy Dee; Mr. and Mrs. Louis Frankel and their hosts during their visit here, Mr. and Mrs. Ernest Alschuler; Dr. and Mrs. Pontius, Dr. and Mrs. Highstone, Mr. and Mrs. Kenneth Kirk, Mrs. Malouf's brother and sister-in-law, Mr. and Mrs. Edward Nassour (Sharon Douglas), the Malouf's houseguests were present for the delightful occasion.

Weekend at  
Firecliff LodgeLuncheon and Show  
Saturday Launch  
Exciting Program

It was a frolicky, rollicking weekend at Firecliff Lodge with activities galore to amuse the many, many people that turned out for the formal opening.

The weekend party commenced on Saturday with an elegant buffet luncheon followed closely by a western show. Frank Bogert, Palm Springs favorite M. C., was on hand to introduce Monte Montana who went through his antics on horseback to the delight of the guests. The Riders of the Purple Sage provided the proper Western music in addition to that strolling troubadour, Don Marteen.

Saturday evening a capacity crowd of fifty guests gathered for dinner in the Lodge. Present were Lodge guests Mr. and Mrs. Oscar Trippett, Mr. and Mrs. William Bailey of Salt Lake City, Mr. and Mrs. Cooley of Hollywood, Mr. and Mrs. Robert Minty and their daughters of Pasadena, Roy Nafziger, and Mrs. Vee Baer.

Mr. and Mrs. Fred Renker entertained a table of guests that included Mr. and Mrs. Kenneth Colborn, Mrs. Parker Lyon, Mrs. J. Baldwin, Mr. and Mrs. Elton MacDonald of Detroit, Truman Vencil, Mrs. Jean Gundelfinger, and Clifford Hendsen.

Sunday was as lively as the day before with tennis enthusiasts watching exhibition matches on the new courts of the Shadow Mountain Club and other guests being taken for drives through Palm Desert in colorful tallyhoes and old stage coaches.

## Cathedral City Artists Win Praise at Fair

The art exhibition at the Riverside County Fair in Indio brought much appreciation and notice to local desert artists and Mrs. Rex Johnson, chairman of art for the Indio Woman's Club deserves much credit for the event.

Two pictures by Agnes Pelton of Cathedral were the gems of the entire seventy-two pictures shown, each artist limited to two. Her Flowering Smoke Tree and Winter Willow received much favorable comment as well as a ribbon of merit. Also receiving a ribbon was a smoke tree painted in Cathedral Canyon by Captain H. L. Harris Jr., who spends his winters here. This picture was sold to Leonard Swingle of Indio. Six offers were received for Captain Harris' Sunset picture with letters of appreciation from as far north as San Francisco and south to El Centro. After the children had eaten they were taken to the school room and entertained with pictures while their parents were given a chance to buy at auction their pies. Some pies went as high as \$5.49. Following the supper a dance was enjoyed, the music provided by Cora Le Baun and her impromptu orchestra.

## Book Reviews Are Heard by Members Of Cathedral Club

Palm Village Inn was the scene of a lively luncheon of the Woman's club of Cathedral City last Wednesday when they were entertained by Miss Grace Woolcott, professional reader. Mrs. Bessie Kelley, president, and Mrs. Mary Wolseth, vice-president, were hostesses for the afternoon assisted by Mrs. Lolita Waller, Mrs. Linnea Watts and Mrs. Hattie Schwartz as receptionists. Following Miss Woolcott's reading of a scene from "School for Scandal" and the nurse scene from "Romeo and Juliet" Mrs. Wolseth gave a brief review of Irving Stone's book "They Also Ran", a biography of candidates who were defeated in the presidential race. She urged members to read this as a background for the 1948 presidential elections and said that the unpredictable vote in America was largely made up of the thinking women of the Federated Women's Clubs who did not vote for party, right or wrong, but voted for the man they estimated to be the best.

An amusing quiz contest was conducted by Bessie Kelley with Edna Cobb and Cora Le Baun captains of two six-women teams. The ladies were delighted with the Palm Village as a place to hold their luncheon meetings and congratulated Mr. Butler on his excellent cook.

## Colorful Fiesta Precedes Circus

Thunderbird Ranch To Be Scene of Mexican Festival as Curtain-Raiser for Big Event

The gay, musical, carefree life of Old Mexico will flourish for a night on March 8 on the spacious grounds of Thunderbird Ranch as Manager Frank Bogert presents the colorful annual Mexican Fiesta as an official prelude to the opening of Circus week two days later.

Plans for the Fiesta, which the genial guest ranch major domo originated last year, were announced today by Bill Grant, general chairman of the Circus. As the initial event of the week in which the Circus falls the Fiesta has the fullest support of the Circus organization, the chairman said in using Villagers and visitors to join in the fun at the ranch.

Arrangements already have been completed by Bogert with Marie Sawyer of Los Angeles, a widely-known caterer featuring Mexican foods. She will erect a replica of a portion of famed Olivera street of Los Angeles for the fiesta celebration. Her Mexican food is rated as the finest in the Southland.

Many novel entertainment features using Mexican singers and dancers already are being planned. A spirit of informality will reign throughout the evening.

The latest addition to the long list of fashionable and beautiful apartments and hotels in Palm Springs—the Hotel de Marcos—

will open within two weeks. Owner of the modern-style de luxe resort is S. W. Marcos, winter resident and a real Villager.

The new hotel is rapidly nearing completion on a site near the Tennis club on West Barristo road at the corner of Bellardo.

el use of native stone and colors add to the impressive beauty of the whole. Large rooms, luxuriously decorated will be a feature of the de Marcos. The entire structure whose capacity will approximate 50 guests is built around a beautiful swimming pool.

Opening date is tentatively set for March 5.

### OPEN FORUM

Plug for Wise, Lewis

Editor, The Sun: No wonder guests and members of the Business Women's club enjoyed the recent press and publicity dinner given at the Royal Palms hotel. It was none other than that well known chef Jimmy Lewis who prepared those delicious steaks and the rest of the fine dinner. Lewis was formerly with several prominent local spots and has the know how. The Royal Palms is fortunate in getting him as their new chef under the management of Homer, Ernie and Louise Wise.—M. M.

Harry Oliver Happy,  
Complaining, too

Harry Oliver was rejoicing today and at the same time complaining.

He was rejoicing over the arrival of his first grandson born to his daughter, Mary (Mrs. Bob Ballinger), at Van Nuys.

Mother and boy are doing o.k. Oliver's complaining was due to the fact that the boy was born on Feb. 22.

"Here, I've been telling the biggest lies on the desert and my first grandson is born on G. Washington's birthday. They'll probably call him George and teach him never to tell a lie," he said.

Attendance at the dinner-charity ball is expected to be a sell out and those who would like to go are asked to telephone 2701 for tickets.

## Goodwill

County Seat Tour To  
Visit Village Friday

The annual "goodwill visit" of the Riverside City Chamber of Commerce will take place Friday with the arrival of two and probably three bus loads of business people of that city.

Members of the Palm Springs Chamber of Commerce and its directors will act as hosts at a luncheon to be held at the Palm Springs Tennis Club.

All who plan to attend are asked to telephone for reservation at the Chamber of Commerce and other than members are also invited.

Special entertainment is planned for the group in addition to a tour about the Village.

## Community Hospital News

By HERMINE ROSIN

On March 4th your Community hospital will be two years old. It's been a most gratifying, if somewhat difficult task, well done. Hundreds of patients have passed through the hospital portals for all types of care, emergency and otherwise. We feel sure that the community of Palm Springs offers the hospital every good wish on its second milestone.

The ladies of the hospital board, headed by Blanche Turronet, feel that since it is a birthday, it would be more of a birthday party if birthday gifts were forthcoming.

They feel sure that many people would like to have a more personal share in their Community hospital and for their information, the following moderately-priced articles are badly needed and would be most welcome:

Ash trays,  
Small wastebaskets,  
Teaspoons  
Cups and saucers,  
Rubber soap dishes,  
Small plastic mugs for tooth-brushing,  
One ironingboard.

Representatives from all the local service organizations are being invited to participate in the festivities on Thursday, March 4th from 2:00 to 4:00 p.m. It is felt that for the welfare of the patients, it is necessary to limit the number of visitors.

The Community hospital's free clinic has been operating almost a year. Many people have been helped. Those who do not feel up to par and who have neglected seeing a doctor for fear of the expense, are urged to visit the "free clinic" where they are assured of diagnostic examination without cost.

Following the findings of such an examination recommendations will be made for treatment where indicated regardless of ability to pay.

The free clinic idea emanates from the fact that there are many persons in every community who fail to give attention to minor ailments for fear of cost, when such neglect often develops into serious complications which become burden of expense on the individual or society or both.

The clinic is open one forenoon each week, on Wednesdays from 8 a.m. to 12 noon at the Palm Springs Community hospital. The next free clinic day will be on Wednesday forenoon, February 25, tomorrow.

## Tests Friday

Mounted Girl Scouts  
To Be on Inspection

Members of the mounted troop of Girl Scouts will be tested for their horsemanship Friday and those passing the test to be judged by Coine Ricketts of the Rancho Stables will be awarded merit badges.

Informative programs for public consumption in which Girl Scouts and Brownies will participate in will start Monday. These will be in the form of skits with members of the various Scout troops participating.

## To Residents of Palm Springs District No. 3

Only one-third of the residents of my election district are registered voters.

This unhealthy situation is caused more by a lack of information than a lack of interest. People just don't realize that registration closes in a week and with it their opportunity for a voice in the City election on April 13.

Yes, there is something we can do about it, if we act promptly. We can first see that members of our family are registered. Then remind our neighbors to get down to the City Offices before the final day when there may be some waiting in line.

March 4 is also the deadline to nominate candidates for City Council and we should hope that there will be at least 2 candidates running for every office, to offer a choice at the polls.

I am proud of my district, which is assured of a lively contest by the filing of Gordon Feeings' papers the day after mine were filed. There is no one I would rather have beat me than Gordon, perish forbid! Our fight will be vigorous and above-board. Neither he nor I will stand for a campaign of mud-slinging or under-handed whispering.

Don't miss your chance to participate in the election battle! Register TODAY before it's too late.

## Fun---And a Warning

Desert Hot Springs Frolics With Guests  
And Hears Address by Admiral Delaney

Desert Hot Springs had its weekend. It was a great one with fun, frolic and food for all and a serious note sounded in the talk of Admiral Walter S. Delaney, speaker of the day at the close of the big program.

Admiral Delaney warned the majority that its carelessness and unwisdom was permitting a small majority to impede and endanger the success of democracy.

ADMIRAL DELANEY was the guest speaker on the final day

of democracy to the remainder of the world. In selling democracy to other nations, he declared, their big test of it is the question "Will It Run?" Unless it will run in America there will be little success in convincing others of its merits, he said.

Admiral Delaney then declared that the un-American agencies of the annual '49er program at Desert Hot Springs.

Declaring that the world democracy is being kicked around because some other nations have an entirely different meaning for it, Admiral Delaney declared that America attempt to sell its idea

are doing their best to keep democracy from "running." They succeeded to a certain extent, he said, because of the great majority of good citizens permit them to do so.

THE ADMIRAL quoted President Theodore Roosevelt as saying that any man who says he is an American but something else also is not an American. "We need more real Americans today," Delaney said. "In thinking of national security we must be realists. We must try to forget personal security for there is none unless we have national security. This is a critical period. Be realists in your thoughts. Be sure you are Americans and not something else too. If you all do so, no other nation need threaten America."

Admiral Delaney's speech was preceded by a program by the Loyola University Band and Glee Club, which was received enthusiastically by the large crowd. The band, led by John T. Boudreau, earlier had led the colorful parade.

SHARING HONORS with the admiral at the head of the parade was Penny Haley, 49er Queen. Large riding groups were entered by 29 Palms Saddle Club, Yucca Valley Dusty Trail Riders, B Bar H Ranch and Los Compadres of Palm Springs. Other parade units included Desert Hot Springs School Safety Patrol, mounted on bicycles, Girl Scouts, Brownies and Cub Scouts. Several thousand visitors witnessed the parade.

A program by screen and radio entertainers was given during the afternoon under the direction of Col. Ted Davis, Apache Indian who served in both World Wars. This included singing by Teddy Ginn, billed as Oklahoma Boy Wonder, and singing and dancing by another talented boy, Butch Jones.

IDA BRADNER, 93-year-old Swiss yodeler, performed. Adeline Wyckoff, operatic singer, and James McGarrigle, baritone, sang. Indian dances were given by Chief Red Feather and Fallen Leaf. Other entertainers included the Accordionettes, Donna Mae Roach, Betty Mae Wishick and Blanche Botter.

A barbecue was served in the early afternoon and the midway was open throughout the afternoon.

The entire 49er Days program which began Saturday was arranged by a committee headed by A. M. Elton.

## State-Long Trail To be Discussed Wednesday Night

The course the California horseback trail will take through Riverside county on its way from Oregon to Mexico will be discussed Wednesday night at the Mission Inn in Riverside when the California State Horsemen's association meets in a dinner session.

The state legislature recently appropriated \$300,000 to survey a state trail down the length of the state from Oregon to Mexico. The California Horsemen's association is working with local riding clubs to establish summer and winter trails in all counties.

Maps and plans for winter and summer trails through this county have already been prepared and discussed with the forestry service. Both would connect with the San Bernardino county trail, come down through Whitewater and thence go to Idyllwild in the San Jacinto mountains and on to Anza and the Borrego Valley. Part of the way it will follow the historic De Anza trail. The winter trail will be below the San Jacinto snow line.

## New Market To Open This Week

The Palm Canyon Market and Lockers at 1111 South Palm Canyon drive will stage their grand opening celebration Thursday, Friday and Saturday, it was announced this week.

A cordial invitation to visit the new establishment has been extended Villagers and visitors by the owners, C. R. Purnell and W. C. Roger. The new market will specialize in the finest groceries, vegetables, meats, dairy products and frozen foods.

Both Purnell and Roger are long-time residents of the Village. Purnell was in the grocery business here several years, and Roger for several years was associated with Tex Driskel.

In connection with their market they have installed two locker rooms with a capacity of 300 lockers.

### Where Does Your Money Go?

Read the other day where country folks and farmers spend more money, proportionately, on their homes than city dwellers do.

Doesn't seem hard to believe when you think it over. Take the folks in our town, for instance: They're home-loving people—who'd rather spend an evening by the fire with a mellow glass of beer than go out in search of entertainment or diversion.

So it's only natural they put more into what means most to them and to their children: their homes. They

may not have too much to spend—but it goes for those permanent, abiding comforts that make home a nicer place to be.

And from where I sit, that budget calls for some of the niceties of home life too—like cider and popcorn for the kids from time to time, and a friendly glass of beer for Mom and Dad... things that belong with what we mean when we say "Home."

Four important promotions in Bank of America official ranks were announced today by L. M. Giannini, president, according to word received this week by Fred Ingram, manager of the Palm Springs branch.

R. P. A. Everard is advanced to the position of assistant to the president. He began his career with the bank as a bookkeeper, and has been vice president and cashier of the institution since 1941.

Everard is being succeeded as vice president and cashier by P. C. Read, who joined the bank's inspection department in a junior capacity and has been chief inspector and auditor since 1934.

H. A. Leif, heretofore assistant chief inspector in charge of the bank's inspection and auditing forces in southern California, is advanced to succeed Read as chief inspector and auditor. Leif started with the bank as a bookkeeper

## Airport Action

Redwine Returns from Washington Conference

A speed-up in the county's airport program, bogged down in official red tape on the Washington level, is expected soon, County Counsel Earl Redwine reported to the county supervisors Monday.

Redwine, just returned from a trip to Washington on behalf of several airport problems, including settlement of the lease issue at county-owned Ryan field, at Hemet, said that high officials of the war assets administration have promised the deeds to Thermal, Blythe and Shaver's Summit at an early date.

at Humboldt branch in San Francisco.

All will make their headquarters at the San Francisco Head Office of the institution.

C. H. Baumhufner, heretofore assistant chief inspector in San Francisco, advances to success Leif, with headquarters in Los Angeles. Baumhufner began his Bank of America career as a messenger.

## Museum Notes

LYOYD MASON SMITH

Four films will be shown tonight in the natural history series at the Desert Museum. They are: "Krakatoa—The Blowing-up of a Volcano," "The Northwest-ern States," "The Birds of Canada," and "The Far Western States." Program open to the public at 8 p.m.

Tomorrow night, Wednesday, the fourth in the current series of Symphony Evenings will be presented at the Museum at 8 p.m., William Norman Jupe conducting. The program is to be announced. Public invited, no charge.

**THIS THURSDAY** another War Orientation film is to be presented. It is General Eisenhower's official report to the world of the battle of Europe entitled "The True Glory," and was made under the joint co-operation of the United Nations. It has been awarded several Academy Awards as the best film in the documentary section. Open to the public without charge, 8 p.m.

Friday night, February 27, the famous German film, "Siegfried," will be presented in the Film Classics series. Open to members only at 8 p.m.

The field trip scheduled for next Saturday, February 28, is to Thousand Palms and Willis Palms, and includes a short walk to fossil oyster-beds. Those interested meet at the Museum at 10 a.m., return at 4.50 miles of driving involved (round trip). Bring lunch.

**FOUR MORE PERSONS** became members of the Museum last week. They are: Mr. and Mrs. George Arntzen, Leo Paquette, Lucien Paquette, and Agnes Slater. The total membership is now 543.

A number of visitors from Canada were among Museum guests during the last week or so, coming from such cities as Toronto, Victoria, Vancouver, and Chatham, Ontario. Other visitors came from Oslo, Norway; Paris, France; and Buenos Aires, Argentina.

Several pieces of glassware, beautifully colored by the desert sun, and loaned by Glenn Vargas of Indio, are on display at the Museum for the next few weeks.

Mr. Vargas had entered them in the Desert Lore Department at the Indio Fair where they attracted a good deal of attention.

**MRS. J. SMEATON CHASE** brought in some of the reeds from which the Cahuilla baskets were made in the early days. Mrs. Chase found the reeds growing near her home and brought them in to add interest to the basket display now on exhibit at the Museum.

On temporary loan from Dr. E. Leslie Eames of Los Angeles, who presented a recent lecture at the Museum on "The Heart of Navaho-land," are three books on the Navaho language and one entitled "Origin of the Navaho Flint-way." The books are for a special display to show the work of Father Bernard Haile of Saint Michaels Mission in Arizona, who has done so much to help the Navaho people.

its share of Red Cross funds and he firmly believes that the need today is just as great as it ever was.

KETTMANN is of the opinion that the \$12,000 quota set for the Village will be attained during the first week of the campaign.

He reiterated again the part the Red Cross is playing in the daily life of peace time America. Among them he said, the organization is ever ready to lend experienced assistance in times of disaster; are now in a campaign nationally, to gather blood plasma and is still rendering assistance to servicemen abroad.

## Indians to Meet San Jacinto High There on Friday

Beaumont high school, idle in Riverside County league basketball play, practically cinched the 1948 title last week when Elsinore tripped Hemet and made the chance of overtaking the high-flying leaders almost impossible.

Palm Springs high stayed near the top of the pile by hanging one on Sherman in a mid-week game, 62 to 54 while Banning stayed near the pace by downing Perris, 33-30.

This week the Palm Springs Indians go to San Jacinto and unless there is a major upset in the making, should better their position in the loop, Hemet and Beaumont meet at Hemet in the big game of the week. Even if Beaumont drops this one, they are practically in as they have only the seventh-place Sherman team between them and the crown.

After San Jacinto, the local Indians meet Perris, now tied with them for fourth place, in the final game of the season.

## Slapsie Maxie In '49er Room For One Week

Slapsie Maxie Rosenbloom, former light heavyweight champion of the world, now a champion in the entertainment line, will appear at the Del Tahquitz 49er Room for a limited engagement, one week only, starting next Saturday.

Slapsie Maxie will put on the show as only he knows how to in company with Buddy Ross, his straight man. Those who have seen Rosenbloom fight or have heard him in a floor show, will be there and the others will, too.

This is the last week for Rickey and Rooney, great pantomimists, and Helen Golden, the Gay 90 girl. The Three Screws and Maury Walker will stay on.

At the age of twenty, the life expectancy of the white collar worker is about five years greater than that of the factory worker.

## He Got the Place Roger Picked the Wrong Door on Which to Pound

Lack of hotel accommodations in over-crowded Palm Springs during the weekend meant little if nothing to a determined bed-seeking, happy-go-lucky forty-year-old Negro from Baton Rouge, La.

During Roger Benjamin Douse's search of a place to lay the tired body down, four irate

citizens in the East Ramon district had called the police to complain about a "dark complexioned" man who had persisted despite refusals, that he had to have bed and board. Also added was the belief that the man was intoxicated.

Finally Sergeant Orest Johnson on the desk received a telephone call from Chief of Police August Kettmann to send a prowler car to his home and Douse's search for a bed and board, both free, ended successfully. Of all places, he had to

pound on the chief's door.

Brought to the police station by Police Officers Aaron Kuk and Jess Kirkpatrick, Douse was booked as a drunk and crowded into the jail-bull-pen. The jail, too, had more than its quota of "free-paying guests."

Said Sgt. Johnson: "At least fifty persons have been in the station asking where they could find a hotel room for the night, and believe me, Douse got the last available space in the Village."

R. E. Hazard Hasn't Missed a Parade in Years but Will This Time So He Will Send Reminder of Old Time Days in His Stead

## Report on Indian Situation Awaited

First Hand Story To Be Told Wednesday

First-hand reports of the outlook in Washington for legislation affecting the more than 50,000 acres of Indian lands in the Palm Springs and Indio areas will be heard next Wednesday night at Indio by members of the Joint Indian Affairs Committee of Palm Springs.

The committee members have been invited to sit in on the annual meeting and election of officers of the Coachella Valley Planning Committee. Several Palm Springs men are members of the committee which is working toward a master plan of the Valley.

ADDRESSING the committee will be Joseph Snyder, chief engineer of the Coachella Valley County Water District, and possibly Earl Redwine, county counsel and special counsel for the district.

They returned this week from See INDIAN SITUATION, Pg. 13

Well, those moments will live again this year on Circus parade day in Palm Springs for the famed steam calliope owned by the Hazard and Culnan Stables of San Diego is being sent here as an entry in the parade.

PHIL DELANO, chairman of the parade, announced today that the calliope, which will bring back nostalgic memories for mostly the oldsters since the calliope has almost joined the limbo of the past, is being sent here by R. E. Hazard, prominent San Diego contractor. He has never missed a Desert Circus but is already mourning the probability that he will miss the 1948 event since he is grand marshal of a Cavalcade on the same day.

The steam calliope, which renders faithfully those old tunes that brought cheers from the small fry along curbs throughout the nation years ago, is pulled by six horses. A driver will accompany the outfit here. Chairman Delano praised the example of fine cooperation from Palm Springs' friend, Mr. Hazard, pointing out that he will spend hundreds of dollars to transport the equipment here.

THE ENTIRE PICTURE of the Circus parade is bright this year with one exception—only slight interest has been shown yet by Palm Springs firms in preparation of floats, Chairman Delano said.

"Of course, we recall from former years that many firms do not get the parade 'spirit' until a week or so before the parade, but it will assist themselves and the parade committee also if plans

year on Saturday, March 13, for one of the features will be a good old-fashioned calliope! Parade Chairman Phil Delano announced today that the

calliope, pulled by three pairs of horses, will be sent here for the parade by R. Hazard, contractor, of San Diego. Scores of entries are assured from all parts of Southern California.

## Calling All Cars!

Automobiles Needed to Show the Village To Visiting San Franciscans on Feb. 29

The Palm Springs Chamber of Commerce was "calling all cars" this week.

The autos are to be needed Sunday, Feb. 29, to provide incidental transportation to the nearly 300 members of the annual San Francisco Chronicle tour to Palm Springs.

## Menswear Session Dates to be Fixed

Luncheon Meeting Held at Desert Inn

Dates for the Third Annual Menswear convention in Palm Springs will be set today when Knute Thorsen and Dick Maloney of the Menswear Manufacturers association meant with Villagers at luncheon at the Desert Inn.

Thorsen and Maloney were in town conferring with Harry C. Harper, secretary-manager of the Chamber of Commerce last week and said that although it appeared probable after last year's show that the 1948 edition of the event would be held in November, the October dates will be just as desirable.

In the previous Menswear Palm Springs Round Ups, hundreds of textile leaders, wholesalers and retailers and buyers from the largest stores in the nation were present.

## Father of Local Woman Taken by Death in Texas

Mrs. Wal Spalding was in receipt of word this week of the death of her father, Tom Payne, 62, in Austin, Texas, Thursday, February 19.

The deceased is survived by his wife, Mrs. Tom Payne, now living in Palm Springs, and five children.

William H. Burchfield was in the local jail charged with the issuance of bad checks with bail, pending his preliminary hearing, set at \$500 by Judge Eugene E. Theriault.

The potato crop of the world greatly exceeds any other crop produced for human food.

Especially are business men being asked to make one or more cars available, with drivers, for use during the day.

Given the task of locating a place where approximately 100 of the visitors could swim, the Chamber of Commerce obtained only the use of the Palm Village pool since it is equipped with dressing rooms. This entails considerable transportation, but the Chamber is urging business men and Villagers alike to telephone in to the office, 6111 or 6181, and volunteer the use of their cars for part of the day.

The big Bay City party will arrive here by Southern Pacific at approximately 9 a.m., being transported to the Village from the station by Tanner Motor Livery. Luncheon has been arranged for them at the Pago Pago and swimming at Palm Village. Otherwise, the group will spend its time visiting the shops and seeing the Village, the local Chamber of Commerce said.

## Charges Dropped

Two Complaints Against John Rogers Dismissed

John Rogers, 34, Rancho Mirage, convicted of petty theft, and sentenced by Judge Eugene E. Theriault to 29 days in the Riverside county jail, had one charge of felony and another of petty theft dismissed against him Tuesday.

The dismissal was granted on the recommendation of District Attorney William Mackey. He had been accused of purloining window sash. His first sentence of 30 days arose from his plea of guilty to a charge of stealing a toilet.

## Bound Over

Paranelli Faces Trial On Bad Check Charge

Henry Paranelli, accused of passing two checks with insufficient funds in the bank upon which the checks were drawn, was bound over to superior court in Riverside following his preliminary hearing before Judge Eugene E. Theriault.

The defendant was accused of passing two checks, one for \$156 and the other for \$186. Bail was set at \$500.

## Wallace Party Petitions Filed At County Seat

Riverside county was one of the first in the state in which Henry Wallace party petitions were filed, it was revealed today.

Filed in the office of County Clerk G. A. Pequegnat were 32 petitions with 884 names of the Independent Progressive Party of California, the Wallace third party.

Petitions to place the party on the ballot will be filed in at least 54 California counties, it was said.

## Broadway To See Palm Springs Hat

Wal Spalding Heads East for New York

Always a true Western character, Wal Spalding who left by airplane for New York City Sunday morning via American Airlines, refused to divest himself of his ten-gallon hat.

Warned that he would be an object of curious scrutiny on Broadway, he replied:

"How can one get better publicity for Palm Springs?"

In the opinion of many Villagers there wasn't a good and proper answer to that question.

The trip to New York is strictly business, Spalding said. "Not monkey business either," was the traveling Villager's remark.

The little island of Yap is really four islands set close together.

## 29 Palms Learns About Boys' Clubs

Frank Partridge Talks To Lions Club Group

Indications are that Twenty-Nine Palms will soon have a Boys' club modelled along the lines of the Palm Springs club.

Frank Partridge, founder of the local club, addressed the Lions club of Twenty-Nine Palms Thursday night and told them of the workings of the local Boys' club and the part the Palm Springs Lions club played in its success.

Twenty-Nine Palms Lions took to the idea and discussion of formation of a similar club there was started at once.

District Governor Frank Shufelt of Seal Beach and Deputy Governor Joe Finney of Banning were present at the Twenty-Nine Palms meeting.

## Pittman to Enter Primaries in June

W. V. Pittman, chairman of the county board of supervisors, will be a candidate for re-election in the June primaries, he announced Friday in Riverside.

Earlier he had said that he would not be a candidate for the county office but last week said that he had yielded to the urging of friends and his name would be on the ballot next June.

He represents the third supervisorial district on the county board.

## Millionth Meter Installed This Week By Gas Company

A milestone in the growth of Southern California was passed this week when the Southern California Gas Company installed the millionth meter on its linen, according to William P. Hand, San Bernardino division manager. "This means", said Hand, "that the company is now serving a population of between 3,500,000 and 3,900,000 people." The millionth meter was connected into the company's lines and Mrs. Howard E. Douglass, 7874 Boeing avenue, Los Angeles, "This phenomenal growth accounts in part for the fact that our domestic gas rates today are lower than they were in 1939", F. S. Wade, gas company president declared. Continuing he said, "the average price of gas in Los Angeles, for example, for household use was about 77c per thousand cubic feet for the pre-war period of 1935-1939 inclusive, whereas this average price for the year 1947 had dropped by about 15 per cent to 65c per thousand cubic feet. Today, in southern California, was is one of the few items in the household budget which has not gone up in price."

Wade pointed out that despite the very great difficulties in securing pipe, meters and other equipment, the company has managed thus far to provide gas service in all new homes by the time the customer was able to move in and start housekeeping.

Wade stated that people used gas more widely and more freely in southern California than in any comparable area in the world.

The company does not presume to be able to forecast accurately what the future growth of southern California will be. However, the company has invested very heavily in the future as witnessed by the recent Texas-California pipeline just completed. The line is now delivering 155,000,000 cubic feet daily to supplement our basic supplies of gas obtained from California fields. By the first of next year, the Texas line will be delivering its full capacity of 305,000,000 cubic feet of natural gas daily.

It's the Amazon country that sends us the richest, creamiest nuts of them all—Brazil nuts—to chop for zesty garnishes, to broil atop vegetables for a rich, crunchy topping, and to include in home-baked cookies, cakes and muffins for that like-no-other Brazil nut flavor.

FIRST PRIZE—Palm Desert Palominos won first prize at the Riverside county Fair at Indio. Ridden by Carl Henderson of Palm Desert and Mrs. Wesley Parker of Brentwood, the palominos won the blue ribbon in the matched pair class for their owner, Cliff Henderson, president of the Palm Desert corporation. The pair are Tarzan, a five-year-old stud and Honey, four-year-old filly.

## Tax Notes

By EDWARD J. NELISSEN

### INCOME FROM DIVIDENDS AND INTEREST

Generally all income from dividends BEFORE March 28, 1942, taxable income. There are a few exceptions:

**EXEMPT DIVIDENDS** — Dividends paid by mutual life insurance companies. Dividends received from Federal land banks, national farm loan associations and Federal reserve banks are wholly exempt if the obligations were issued PRIOR to March 28, 1942. Exempt from NORMAL tax but not from SURTAX are dividends received on obligations of Federal savings and loan associations if the obligations were issued BEFORE March 28, 1942. **Stock dividends** are usually not taxable. In most cases the corporation issuing the stock dividend will advise the stockholder that the dividend is non-taxable. The general rule is that if the proportionate interest of the stockholder is not essentially different before and after the tax

dividends are paid, the dividends are not taxable.

**Stock rights** the same rules as above apply.

**Liquidating dividends** are not taxable as dividends since the amounts or property are received in exchange for the stock held.

### INCOME FROM ANNUITIES AND PENSIONS

Previous to December 31, 1933, annuities were entirely exempt from taxation until the cost had been recovered. After that date annuities have been taxed as follows:

3% of the cost of the annuity is INCLUDED in income. Remainder, if any, EXCLUDED from income.

However, if you have been reporting income from an annuity in prior years you will have to take into consideration that prior to 1934 annuities were exempt until the cost was covered. It will make a difference in the remainder exempt from taxation. Pensions are taxable if received as compensation for past services but non-taxable if received as a gift.

(Next Friday: Income from Rents and Royalties).

## Another Warning On Registration Is Sounded Today

"I hate to keep harping on the same subject—but a week from Thursday is the last day to register for the city election on April 13," said Mrs. Louise McCarn, city clerk and deputy county registrar yesterday.

Those who are sure of their registration are asked to check to determine their eligibility. Those who have moved since the last election, those who have changed their names, who have reached voting age in the past year or who failed to vote in either of the general elections in 1946 must re-register this year.

Registration closes 40 days before election.

Councilmen will be elected from districts 1, 3, 5, 6 and 7 in April and voters living in those precincts are especially urged to have their names on the list.

Besides the city election there is the presidential and county, state and national primaries on June 1 and the presidential election on Nov. 2.

Registration for the June primaries closes April 22 and for the November general election, on Sept. 23.

Last day to file nomination papers for the city election is on the same date as the registration deadline—March 4.

## Palm Springs Personalities—

—By Barbara Schilly

—Photography by Bernard of Hollywood.

Palm Village is situated close to Palm Springs in the heart of the desert. There is a community and friendly spirit in Palm Village and included in this week's feature are a few of the people who help make this so.

Residents of Palm Village for two years are the Kay Oleson family (upper left). Mrs. Oleson enjoys playing bridge with other women of Palm Village at their weekly meetings while Mr. Oleson finds his hobby to be duck and pheasant hunting, which the whole family, incidentally, especially enjoy eating. Karen attends the 8th grade at Roosevelt school in Indio and her son, Gary, is in the 6th grade at the same school. Gary is fast becoming a cowboy of the desert for he now has boots, a cowboy suit, and vaquero tie and is subtly working toward a horse to go with his "riggins." In Los Angeles the Olesons are members of the Jonathon Club.

The group pictures (upper right) is the Burr Tupper family who have recently completed their new home in Palm Village. Shown with Mr. and Mrs. Tupper are their two sons, Marshall, 7½ and Terry, 4½, and the newest family member, Inky the cat, age 3 months. The family can often be found at the Palm Village community pool for they all enjoy swimming more than any other pastime (that it, all except for Inky who does not care for the water.) Terry has been swimming since he was 3 and Marshall has been diving since he was 6. Mr. and Mrs. Tupper both also fly and they do not doubt that the boys will take it up at an early age also. (As for Inky, he prefers to stay on the ground.) Originally from Pasadena, the Tupper family lived on a date ranch in the Coachella Valley for a period about nine years ago and ever since then have been lovers of the desert.

Dr. and Mrs. S. D. Barry, their daughter, Mrs. June Alley, and granddaughter, Susan (center) are all popular members of Palm Village and Palm Springs. The family has diversified pastimes: Mrs. Barry weaves and has exquisite pieces, including a gorgeous linen table cloth to show for her hobby. Dr. Barry is a movie photography fan and has taken numerous movies with his 16 mm. camera. Mrs. Alley enjoys gardening and reading and admitted that on the side she likes to do carpentering work also. Susie, like her mother, is a reading addict but when it comes to book reports, that is another matter. Susie would like as soon do without. She is, however, very talented in clay modeling and she might some day make this her profession (just as long as no reports are necessary). The family are members of the Shadow Mountain Club.

Well known in Palm Village and Palm Springs are Colonel and Mrs. Robert A. Ellsworth (lower left). Their attractive daughter, Marilyn, is a popular senior at Palm Springs high school and their son, Corporal Robert L. Ellsworth, has been

on a short leave from his Army services. A West Point graduate, Colonel Ellsworth was recently retired from the Army. The Ellsworths have lived on the desert for the past three years and before that the family traveled extensively, having spent much time in the Orient, Philippines and Hawaii. Still interested in Army affairs, Colonel Ellsworth is National Defense Chairman for this area and Mrs. Ellsworth is the president of the American Legion Auxiliary. Marilyn holds her share of offices also, being vice-president of her school G.A.A. and cheer leader. After graduation, she plans to attend Principia and then Sarah Lawrence school. The family are all horse enthusiasts and both Colonel Ellsworth and his son find polo their favorite sport.

Mrs. James O'Reilly (lower right) of Palm Village is a long time desert resident having come from Tacoma, Washington. Her husband, Colonel O'Reilly, is stationed at present in Korea. The O'Reilly's home is a small cozy dwelling, designed especially for their living; for example, one side of the living room is lined with books which form Mrs. O'Reilly's chief hobby. She has several complete sets of works and especially enjoys reading of world affairs and philosophy. Although she is always interested in discussing the two subjects, the main topic of conversation and interest with which Mrs. O'Reilly at present is the pending event of this Spring . . . for Colonel O'Reilly is due to return home.

Civil Service Test

Earl Waller, local secretary for said this week that there shd the Civil Service Commission.

said this week that there will be an examination for probational appointment as administrative officer for federal agencies in California, Arizona and Nevada. The positions pay from \$4,902 to \$8,-

## Desert Circus . . .

can be laid earlier than that this year," he said.

"THERE ARE a myriad of subjects on which floats can be arranged, and they add much to the parade. I hope that dozens of our companies will obtain their entry blanks at the Circus headquarters, if not already supplied, and begin preparation of floats as soon as possible," he added.

The colorful posses from throughout Southern California again have assured the chairman they will be present, and indications are that the spectacular silver-mounted entries will break all records for number.

Farmers who try to read the Federal Register, formal government publication, would never need crop insurance for they would never get time to plant any crops.

—Robert H. Jackson, associate justice, supreme court.

If our defenses are permitted to lapse the probability is that the United States as we now know it will cease to exist.

—Gen. George C. Kenney, U. S. Army.

## GREATER PEST

Nematode worms, tiny parasites that cause heavy crop losses through their attacks on plant roots, are a greater pest in the south than in the north because he longer growing season permits more rapid increase.

Among the scientific developments for better living is a new night light, designed for placement under one leg of the bed—flashes on when you get up and off when you return to bed.

Antakya, Turkey, was formerly known as Antioch.

HOME  
With Pool

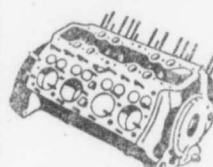

One of the best values that's been offered all season, this low, rambling house is attractive and livable. Situated on a very large lot which is completely walled, there is an abundance of beautiful planting and many citrus trees. There are 3 bedrooms and 3 baths and a maid's room; 2-car garage. It is tastefully furnished. The swimming pool is heated and filtered and there's a wonderful cabana nearby for resting after your swim. This is a perfect "Palm Springs House," and the owner has priced it to sell. You'll want to put this on your "must see" list if you're shopping for a home. Shown only by appointment.

The Red Cross provides supplementary nursing service for disaster-stricken communities . . .

**T**HE Red Cross belongs to the people. Through it, the victims of disaster receive comfort, shelter, rehabilitation aid. Through it also a new National Blood Program is being developed which eventually will provide whole blood or plasma to all who need its miraculous healing powers. Meanwhile, the Red Cross remains the constant friend of our men in uniform as well as of veterans. To the lonely, the anxious, and the sick, Red Cross stands as the sign of hope. Let's keep it at full strength by participating in the 1948 Red Cross Fund campaign.

do this job. Blood cannot be purchased commercially and supplied in the various forms to meet the needs without costs that are beyond the resources of millions of American citizens. Under the Red Cross plan there will be no cost for the product to the beneficiary.

It is universally recognized that a sufficient supply of blood can come only from a voluntary blood donor program. That is why the Red Cross is embarking upon this new project, and counting upon the citizenship to support it. This program has the full backing of all major medical and health agencies, including the American Medical Association and the American Hospital Association.

Ahead lies the gigantic task of expanding the project nation wide. It will take time and money too—for staffs of physicians, nurses, and technicians; for necessary special equipment; for the costly production of blood derivatives; for packaging and distribution. Last year, the Red Cross expended approximately \$1,200,000 to further blood research... and this research must continue at an even greater pace.

The Red Cross will finance and operate the entire project, with full confidence that Americans everywhere will help.

## A NEW NATIONAL BLOOD PROGRAM IS ON ITS WAY!

**D**URING the war, millions learned what miracles whole blood and plasma could perform. Thousands are alive today because whole blood, plasma, and

blood derivatives were on hand, ready for instant use where and when they were needed by our men in uniform.

That wartime experience has led to a new and even broader project that eventually will serve the whole civilian population. This broad Red Cross program is already under

way in a limited number of communities.

Here on this page are pictured the ways physicians may use blood and some of its derivatives to save lives, prevent disease, and alleviate suffering.
